

will be running the Chester Marathon on Sunday 9th October.

This gruelling 26 mile race covers 17 miles in England and 9 miles in Wales. To make the pain and effort worthwhile please generously sponsor them in support of The Movement Centre

The Movement Centre provides evidence-based specialist physiotherapy to children suffering from cerebral palsy, increasing their mobility and improving their lives.

TMC is based at the Robert Jones and Agnes Hunt Orthopaedic Hospital, Oswestry and provides a UK-wide service.
