

**will be running the London Marathon on
Sunday 17th April.**

**This is a gruelling 26 mile race around
London. To make the pain and effort
worthwhile please generously sponsor
them in support of The Movement Centre**

**The Movement Centre provides evidence-based specialist
physiotherapy to children suffering from cerebral palsy, increasing
their mobility and improving their lives.**

**TMC is based at the Robert Jones and Agnes Hunt Orthopaedic
Hospital, Oswestry and provides a UK-wide service.**
