Top Tips

Keep it Simple

Simple fundraising ideas can often be the most effective. They also mean you'll have more time to concentrate on raising money and having fun.

Planning

Getting organised is important when planning a successful activity or event. It makes things easier too. Why not put together a timeline so you know what needs to be done when and who should be doing it! Don't forget you also may need to ask permissions – please see the Keeping things safe and legal section for some useful information.

Keep the costs down

They are so many things you can do to raise money without breaking the bank. Don't be afraid to ask for donations, prizes or support from others.

Set a Target

Have a fundraising target for your event is a great way to get focused. It also means people can support you in reaching your goal. It will feel great if you exceed your target and raise even more too!

Sponsorship and Gift Aid

If you are organising a sponsored event you can set up a Just Giving page (www.justgiving.com) or Virgin Money page (www.virginmoneygiving.com). It's a quick and easy process and makes it simple for your friends and colleagues to support your event by donating money straightaway. There is also sponsorship form in the fundraising pack for you to use for any offline money you receive. Please encourage your sponsors to opt into the Gift Aid Scheme if they are UK Tax Payers as this will boost your funds by 25p for every £1 donated!

Charity number: 1075549

Spread the word

Tell all your friends, family and work colleagues about what you're doing. Use the posters from the Fundraising Resources page of our website to promote your event at work and at local pubs, schools, libraries, surgeries, shops, sports or social clubs. Remember, don't just stick them up – always ask first! If you would like a printed copy just get in touch.

You can get in touch with your local radio and newspapers to ask them to publicise your event. If you need support with writing a press release just let us know.

Social media is a great way to tell people about what you are doing and why you are doing it. Please share your plans with us on Twitter and Facebook and we will publicise it too!

If you create any of your own fundraising materials please use our Charity Registration Number: 1075549 on each one and say that you are holding your event 'In aid of The Movement Centre'.

Capturing the Day

Photos are great for you to look back on your fundraising activity, so make sure you get snapping! The Movement Centre would also love to be able to use your pictures on our materials. So that we can do so please make sure that you ask permission from an adult before taking pictures and also get approval for The Movement Centre to use any photographs on our website or publicity materials.

Saying thank you!

After your event or activity don't forget to say thank you to all those who supported you, donated prizes or volunteered to help out. And remember to tell us all about it too, so we get the chance to say a huge Thank you to you!
